Investigation					
Have a passion for science? Check out Edheads and sign up for their COVID-19 free membership. Lots of engaging science activities.	Check out the Art for Kids Hub on YouTube and try one of their How to Draw lessons.	Design a video game at Sploder.com (you will need to set an account, but can use your school email to do so) Make sure you remember your password	Use Tinkercad to design a new bedroom or house in 3D.	Explore questions at Wonderopolis . See what questions people are asking and explore some of the answers to subject you are interested in.	Explore The Kids Should See This
ScienceKids online activities have a range of interactive activities that are science related	 Build something crazy to share with your teacher. It might be a space alien or a fancy mansion or even a new classroom. Take a picture of it and share it with your teacher on Seesaw		Want to be a DJ. Use Tonematrix to create an interesting melody and then use Audiotool to add some beats (just click add drums)	Want to make an animation? Create a free account on Zimmer Twins and use their online tutorials to help you create a fun video	Use Scratch to take your coding further
Love Music? Write a song using Google Music Labs	Learn how to research by following the steps in this Google Slideshow Then create a passion project. Investigate something you are really interested in		Space Investigation Complete the tasks on this learning grid	Use Piskel to create some animated GIFs	
Health & PE					
Practise throwing, catching and bouncing a ball in the garden. Try it with 2 hands first, then try one hand. Now try doing it with the hand you don't write with. If you have a tennis ball try it with that. If you have a bigger ball (soccer, netball) try it with that.	Joe Wicks 5 Minute Move Kids Workout 1		Try one of the Go Noodle workouts	Learn how to juggle 3 balls by watching this video tutorial	

<p>Try this circuit: 5 push ups 5 air squats 5 star jumps Repeat 5 times</p>	<p>Do you love soccer? Practise your soccer juggling skills. How many times can you kick the ball and keep it off the ground? Getting good at that - try a toilet roll indoors!</p>	<p>Try some Cosmic Kids Yoga to help you relax, unwind and become more flexible.</p>	<p>Joe Wicks Active 8 Workout (8 min workout)</p>		
<p>Help at Home(work)</p>					
<p>Unload the dishwasher or do the washing or drying up</p>	<p>Make sure your bedroom is nice and tidy and clothes are put away in drawers and cupboards.</p>	<p>Use a dustpan and brush to sweep the kitchen floor. Make sure you put the dust and dirt in the bin.</p>	<p>Tidy away the toys you have been playing with at the end of the day ready to be used tomorrow.</p>	<p>Set the table for dinner.</p>	<p>Read to a younger sibling</p>
