Health & PE				
Practise throwing, catching and bouncing a ball in the garden. Try it with 2 hands first, then try one hand. Now try doing it with the hand you don't write with. If you have a tennis ball try it with that. If you have a bigger ball (soccer, netball) try it with that. Help at Home(work)				
Make your bed in the morning by straightening out the blankets or duvets	Make sure your bedroom is nice and tidy and clothes are put away in drawers and cupboards.	Use a dustpan and brush to sweep the kitchen floor. Make sure you put the dust and dirt in the bin.	Tidy away the toys you have been playing with at the end of the day ready to be used tomorrow.	Set the table for dinner.
